PEACHTREE OCCUPATIONAL MEDICINE

We understand your desire to provide the best possible health care for your employees – and your need to control costs. With a team of caring professionals, a commitment to communication, and competitive market pricing, we can take care of all your occupational medicine needs – and help your company's bottom line.

CONVENIENCE: FREE TRANSPORTATION

We offer immediate walk-in care for your employees, limiting time spent away from work. Our clean and spacious clinics are conveniently located near business and industry hubs. Transportation is free!

COST-EFFECTIVENESS

We're dedicated to caring for your employees while controlling your costs with competitive pricing. Getting your employees back to work as soon as possible and minimizing lost time is our goal.

COMMUNICATION

We're committed to creating open channels of communication. We work with you to develop a customized communications plan including protocols for handling all testing and work-related injuries.

CONTINUUM OF CARE

We are a partner of Peachtree Orthopedics, Atlanta's most respected provider of orthopedic care. Our expert staff includes an orthopedic surgeon and licensed physical therapists for immediate transfers of care.
